RECOMMENDED ACQUISITION OF WESTPAC OFFICE TRUST

Mirvac Group ("Mirvac") [ASX:MGR] today announced it has entered into a Scheme Implementation Agreement with Westpac Funds Management Limited ("WFML") as responsible entity of the Westpac Office Trust ("WOT") [ASX:WOT], in relation to an offer to acquire all WOT units and instalment receipts ("IR") (the "Offer").

The Offer is proposed to be implemented by way of a trust scheme, requiring WOT unitholder approval (the "Scheme").

The directors of WFML who are independent of the Westpac Group ("WFML Independent Directors"), have unanimously recommended that WOT unitholders vote in favour of the Scheme, subject to the findings of the independent expert's report and in the absence of a superior proposal.

Summary of the Offer

Under the terms of the Offer, WOT unitholders and IR holders¹ who are the registered holders of WOT units and IRs at the record date for determining entitlement to the Scheme consideration, will be able to elect to receive²:

- > 0.597 Mirvac stapled securities for every one WOT unit held or 0.597 Mirvac IRs for every one WOT IR held, valued at \$0.86 per WOT unit³ ("Scrip Option"); or
- > Cash of \$0.86 per WOT unit up to a maximum of \$200 million in aggregate under the Offer ("Cash Option")⁴.

The terms of the Mirvac IRs and associated funding will be substantially similar to those of the WOT IRs.

1. WOT unitholders and IR holders with registered addresses outside Australia and New Zealand will, to the extent they would otherwise become entitled to Mirvac stapled securities, have those Mirvac stapled securities sold through the Sale Facility on their behalf.
2. If WOT unitholders and IR holders do not make an election they will be deemed to have elected the Scrip Option.
3. Based on the Mirvac stapled security five day VWAP to 27 April 2010.
4. Subject to a cap of \$200 million. In the event that demand for the Cash Option from WOT unitholders and IR holders exceeds the cap, the demand exceeding \$200 million will be satisfied via the issue of Mirvac stapled securities valued at \$0.86 per WOT unit (based on Mirvac stapled security five day VWAP to 27 April 2010).

As part of the Offer, Mirvac will arrange a sale facility ("Sale Facility") whereby WOT unitholders and IR holders¹, who do not wish to retain their Mirvac stapled securities issued pursuant to the Scheme, may have part or all of their holding sold on their behalf. In the case of WOT IR holders, the sale proceeds received under the Sale Facility will be less the instalment debt applicable at the time the sale is conducted.

Foreign WOT unitholders and IR holders will not be issued with Mirvac stapled securities under the Scheme. To the extent that Mirvac stapled securities would have been issued to a foreign unitholder or IR holder, these Mirvac stapled securities will be sold by Mirvac under the Sale Facility and the cash proceeds, less the instalment debt applicable in case of a WOT IR holder, will be paid to the relevant foreign WOT unitholder or IR holder.

Further details regarding the Offer will be outlined in the explanatory memorandum ("Explanatory Memorandum") which is expected to be despatched to eligible WOT unitholders and IR holders on or about 11 June 2010.

Implied Offer premium analysis

Based on the five day VWAP of Mirvac stapled securities of \$1.44 on 27 April 2010, the trading day prior to this announcement, the scrip component of the Scheme consideration represents an implied value of \$0.86 per WOT unit. This represents a premium of:

- > 12.4% to the closing price of WOT units of \$0.77 on 6 April 2010²;
- > 14.2% to the one month VWAP of WOT units of \$0.75 to 6 April 2010²;
- > 15.9% to the three month VWAP of WOT units of \$0.74 to 6 April 2010²; and
- > 2.4% to WOT's NTA of \$0.84³.

Management rights fees

As part of the Scheme, and in the event that WOT unitholders approve the Scheme, Westpac will receive \$15 million consideration for agreement to forgo future management fees, transaction and advisory fees and entering into various agreements in relation to the Scheme.

Mirvac funding of the transaction

Mirvac will fund the entire transaction (including transaction costs and repayment of all WOT's existing debt) from a combination of existing cash reserves, undrawn debt facilities and the issue of new Mirvac stapled securities.

Westpac Banking Corporation ("Westpac")

Westpac has provided several undertakings to WFML and Mirvac which assist the proposal including:

- > Rollover of the WOT IR debt facilities to Mirvac IRs on substantially the same terms;
- > Accept the Scrip Option for its 7.7 per cent interest in WOT units and IRs and hold its interest in Mirvac stapled securities and Mirvac IRs in escrow for 12 months; and

1. WOT unitholders and IR holders with registered addresses outside Australia and New Zealand will, to the extent they would otherwise become entitled to Mirvac stapled securities, have those Mirvac stapled securities sold through the Sale Facility on their behalf.
2. Mirvac announced 7 April 2010 that it was in exclusive due diligence with WFML for a potential acquisition of all units and IRs in WOT.
3. Consequent upon a change of control following the Mirvac offer the \$7.8 million accrued performance fee becomes payable in cash which reduces NTA to \$0.82 per unit.

- > Terminate of the Business Development Agreement and other related party agreements between WOT and Westpac.

Benefits of the transaction

Mirvac believes the combination of WOT and Mirvac's portfolios will create a stronger and more diversified property investment portfolio, benefiting both existing and new Mirvac securityholders.

The proposed transaction is expected to deliver 3.0 per cent¹ earnings accretion to Mirvac Property Trust in the financial year ending 2011^{2,3} and expands Mirvac's ownership of Australian investment grade assets by an additional \$1.1 billion⁴.

The proposed transaction is also expected to provide the following additional benefits to Mirvac:

- > Acquisition cost savings via the Scheme;
- > Increases Mirvac's Australian investment grade property portfolio to \$5.7 billion via the acquisition of \$1.1 billion of high quality Australian assets⁵;
- > Increases the weighted average lease expiry of Mirvac's investment property portfolio from 5.8 years to 6.2 years;
- > Increases the proportion of Mirvac's investment portfolio subject to secure fixed rental increases;
- > Management efficiencies of WOT portfolio realised through the Mirvac Asset Management platform; and
- > Reinforces Mirvac's position as a top four entity of the S&P/A-REIT 200 index⁶.

In addition it provides WOT unitholders and IR holders with:

- > The opportunity to become a Mirvac securityholder⁷, benefits of which include:
 - o More widely traded investment in a top four entity of the S&P/A-REIT index⁶;
 - o Well capitalised vehicle with liquidity position of \$1.6 billion⁸;
 - o Experienced management team and corporate history of 38 years; and
 - o Prudent through cycle target NPAT earnings mix of 80 per cent trust and 20 per cent corporate.

1. Post dilution from 14 April 2010 allotment of Mirvac stapled securities relating to 7 April 2010 equity raising. This assumes \$500 million raised including full \$150 million from Security Purchase Plan (closes on 6 May 2010).

2. Full details of the assumptions underlying these calculations will be contained in the Explanatory Memorandum to be provided to eligible WOT unitholders on or around 11 June 2010.

3. Assumes that all WOT unitholders and IR holders elect to receive the Scrip Option and that Mirvac retires 100 per cent of WOT's debt facilities.

4. As at 31 December 2009.

5. As at 31 December 2009 pro forma adjusted for WOT and acquisition of 23 Furzer Street, Canberra ACT excluding the impact of the sale of Kwinana Hub Shopping Centre, Kwinana WA and 44 Biloela Street, Villawood NSW.

6. Based on market capitalisation as at 27 April 2010.

7. An investment in Mirvac stapled securities is subject to investment in other known and unknown risks. WOT unitholders and IR holders should have regard to the risks outlined in the Mirvac management presentation dated 28 April 2010 and the Explanatory Memorandum.

8. 31 March 2010 cash on hand plus undrawn debt facilities and \$500 million capital raising.

- > Exposure to potential upside from Mirvac's existing diversified investment business including:
 - o Geographic and asset diversification; and
 - o Management efficiencies of WOT portfolio realised through Mirvac Asset Management platform.

- > Exposure to potential upside from Mirvac's integrated development business:
 - o Ability to further develop the \$240 million Woolworths NSO, Norwest via Mirvac's development capabilities of design, construction and development management¹.

Mirvac's Managing Director, Nicholas Collishaw said, "The combination of Mirvac Property Trust and WOT creates an exceptionally strong, well leased, quality portfolio of Australian investment grade assets, capable of generating predictable earnings growth well into the future."

The detailed terms and conditions governing the Offer are contained in the Scheme Implementation Agreement, a copy of which is attached to this announcement.

Mirvac is being advised by Merrill Lynch.

Subject to Mirvac complying with its obligations under clause 8.4, WFML must prepare the Scheme Booklet as soon as is reasonably practicable after the date of this Agreement and otherwise having regard to the Timetable.

8.2 Compliance requirements

WFML must ensure that the Scheme Booklet:

- (a) complies with all applicable laws and regulatory guidance, in particular the requirements of the Corporations Act, the ASX Listing Rules, the Panel Guidance Note and all applicable ASIC regulatory guides; and
- (b) is not misleading or deceptive in any material respect (whether by omission or otherwise),

except that the foregoing obligations in respect of the Mirvac Information is subject to Mirvac complying with its obligations under clause 8.4.

8.3 Responsibility Statement

Without limiting clause 8.2, the Scheme Booklet must include a responsibility statement, in a form to be agreed by the parties, which will contain words to the effect that:

- (a) WFML has provided, and is responsible for, the WFML Information in the Scheme Booklet, and that Mirvac and Westpac Group and their respective directors and officers do not assume any responsibility for the accuracy or completeness of that WFML Information;
- (b) Mirvac has provided, and is responsible for, the Mirvac Information, and that WFML and Westpac Group and their respective directors and officers do not assume any responsibility for the accuracy or completeness of that Mirvac Information except, in the case of WFML and its directors and officers, to the

extent that WFML has provided Mirvac with information for the purpose of Mirvac preparing information on the Merged Group;

- (c) Westpac has provided, and is responsible for, the Westpac Information in the Scheme Booklet, and that:
 - (i) Mirvac and its directors and officers do not assume any responsibility for the accuracy or completeness of the Westpac Information; and
 - (ii) WFML and its directors and officers do not assume any responsibility for the accuracy or completeness of the Westpac Information; and
 - (iii) Westpac Group and its directors and officers have no involvement in the preparation of any part of the Scheme Booklet other than the Westpac Information, and Westpac Group has not authorised or caused the issue of, and expressly disclaims and takes no responsibility for, any part of the Scheme Booklet other than the Westpac Information;
- (d) the Independent Expert has provided and is responsible for the Independent Expert's Report, and that:
 - (i) Mirvac and its directors and officers do not assume any responsibility for the accuracy or completeness of the Independent Expert's Report; and

8.4 Mirvac Information

- (a) Mirvac must provide the Mirvac Information and Investigating Accountant's Report to WFML as soon as is reasonably practicable after the date of this Agreement and otherwise having regard to the Timetable, in a form that:
 - (i) includes all information regarding the Mirvac Group and the Merged Group that is required by all applicable laws and regulatory guidance including the Corporations Act, the ASX Listing Rules, the Panel Guidance Note and all relevant ASIC regulatory guides;
 - (ii) without limiting the generality of sub-paragraph (i), includes all information that would be required under section 636(1)(g) of the Corporations Act if the Scheme Booklet was a bidder's statement offering the New Mirvac Securities as consideration under a takeover bid; and

(iii) is not misleading or deceptive in any material respect (whether by omission or otherwise).

(b) Mirvac must provide to WFML such assistance as WFML may reasonably require to adapt the Mirvac Information for inclusion in the Scheme Booklet.

8.5 Review by Mirvac

WFML must make available to Mirvac drafts of the Scheme Booklet, consult with Mirvac in relation to the content of those drafts (including the inclusion of any Mirvac Information and any information solely derived from, or prepared solely in reliance on, the Mirvac Information), and (acting reasonably and in good faith) take into account, for the purpose of amending those drafts, any comments from Mirvac and its Representatives on those drafts.

8.6 Dispute as to Scheme Booklet

If, after a reasonable period of consultation and compliance by WFML with its obligations under clause 8.5, Mirvac and WFML, acting reasonably and in good faith, are unable to agree on the form or content of the Scheme Booklet, then:

- (a) if the disagreement relates to the form or content of the Mirvac Information (or any information solely derived from, or prepared solely in reliance on, the Mirvac Information), WFML will make such amendments to that information in the Scheme Booklet as Mirvac (acting in good faith) may require; and
- (b) if the disagreement relates to the form or content of the WFML Information, WFML will, acting in good faith, decide the final form of that information in the Scheme Booklet.

8.7 Consent of Mirvac

Without limiting clause 8.6, Mirvac must provide written consent to WFML in relation to the form and context in which any Mirvac Information is included in the Scheme Booklet.

8.8 Verification

WFML must undertake appropriate verification processes in relation to the WFML Information included in the Scheme Booklet, and Mirvac must undertake appropriate verification processes in relation to the Mirvac Information in the Scheme Booklet.

8.9 Supplementary disclosure

- (a) If, at any time between the date of despatch of the Scheme Booklet and the date of the Scheme Meeting, WFML becomes aware either:
 - (i) of new information which, were it known at the time the Scheme Booklet was prepared should have been included in the Scheme Booklet; or
 - (ii) that any part of the WFML Information in the Scheme Booklet is misleading or deceptive in a material respect (whether by omission or otherwise),

then, in either case, WFML will advise Mirvac of that information and, if considered by WFML that supplementary disclosure is required, provide supplementary disclosure to Scheme Securityholders.

- (b) If, at any time between the date of despatch of the Scheme Booklet and the date of the Scheme Meeting, Mirvac becomes aware either:
- (i) of new information which, were it known at the time the Scheme Booklet was prepared should have been included in the Mirvac Information that is included in the Scheme Booklet; or
 - (ii) that any part of the Mirvac Information is misleading or deceptive in a material respect (whether by omission or otherwise),

then, in either case, Mirvac will advise WFML of that so that WFML can determine whether supplementary disclosure to Scheme Securityholders is required and if WFML determines that supplementary disclosure is required, Mirvac must provide WFML of supplementary Mirvac Information as soon as reasonably practicable.

- (c) Any supplementary disclosure to Scheme Securityholders in accordance with paragraphs (a) and (b) will be considered to form part of the WFML Information or Mirvac Information (as applicable).

- (a) the implementation of the Scheme (however this obligation does not require WFML to provide information to Mirvac concerning its directors' and management's consideration of the Scheme);
- (b) Mirvac's understanding of the operations of WOT's business to allow and facilitate the smooth implementation of the plans of the Mirvac Group for that business following the Implementation Date; and

- (b) WFML is relieved of the obligation in clause 10.2(a) if:
- (i) the Independent Board Committee determines that a Competing Proposal constitutes a Superior Proposal; or
 - (ii) the Independent Board Committee has formed the view acting in good faith that, to satisfy what it considers to be its or any WFML director's fiduciary or statutory duties (having taken appropriate financial and legal advice), the Independent Board Committee:

 - (B) should change, modify or withdraw any recommendations previously made.

10.3 Independent director voting

WFML must use its best endeavours to ensure that, in the absence of the occurrence of an event described in clause 10.2(b) or 10.2(b)(ii), and for as long as the Independent Expert concludes in the Independent Expert's Report that the Scheme is fair and reasonable for, and in the best interest of, Scheme Securityholders, and has not subsequently changed that opinion:

14. Exclusivity

14.1 No shop

- (a) During the Exclusivity Period, WFML must not, and must ensure that each of its Representatives, does not directly or indirectly solicit, invite, facilitate, encourage or initiate any Competing Proposal or any enquiries, negotiations or discussions with a view to obtaining an offer, proposal or expression of interest from any person in relation to a Competing Proposal or if to do so may be reasonably likely to lead to a Competing Proposal, or communicate any intention to do any of those things.
- (b) For the removal of doubt, nothing in this clause 14.1 affects, or operates to reduce, the rights of WFML under the remaining provisions of this clause 14.

14.2 No talk

Subject to clause 14.5, during the Exclusivity Period, WFML must not, and must ensure that each of its Representatives does not, enter into, continue or participate in negotiations or discussions with, or enter into any agreement, arrangement or understanding with a view to obtaining an offer, proposal or expression of interest from any person in relation to a Competing Proposal or if to do so may be reasonably likely to lead to a Competing Proposal (including, without limitation, allowing any person other than Mirvac to undertake due diligence investigations on WOT), even if:

- (a) the Competing Proposal was not directly or indirectly solicited, invited, facilitated, encouraged or initiated by WFML or any its Representatives; or
- (b) the Competing Proposal has been publicly announced.

14.3 Access to information

Where, in reliance on clause 14.5, WFML, the WOT Group or any member of the WOT Group or any of their Representatives proposes to provide any due diligence information relating to the WOT Group to any person in connection with or for the purposes of a current or future Competing Proposal, it must, to the extent that Mirvac has not previously been provided with the information, provide Mirvac with a complete copy of that information at the same time as it is provided to the third party. Any information provided by WFML to Mirvac under this clause will be provided subject to the terms of the Confidentiality Agreement.

14.4 WFML's response to Rival Bidder and Mirvac's right to respond

- (a) If WFML is permitted by virtue of clause 14.5 to engage in activity that would otherwise breach clauses 14.2 and 14.3, WFML must enter into a confidentiality agreement with the Rival Bidder which is on terms no less onerous to the Rival Bidder than the Confidentiality Deed is to Mirvac, save and except that such confidentiality agreement must allow WFML to be able to comply with and perform its obligations under this clause 14 (including clause 14.4(b)(ii)), unless WFML has entered into a relevant confidentiality agreement with the Rival Bidder prior to the date of this Agreement (in which case WFML must use its best endeavours to amend that confidentiality agreement to allow WFML to comply with its obligations under this clause 14 (including clause 14.4(b)(ii)).
- (b) If WFML receives a Competing Proposal during the Exclusivity Period that it determines to be Superior Proposal and as a result the Independent Board Committee proposes to publicly change or withdraw their recommendation of, or support for, the Scheme, WFML must (unless the Independent Board Committee, acting in good faith and after having obtained advice from Citi and AAR (or such other independent financial advisers or external legal advisers as appointed by WFML from time to time) determine that it would be in breach of their fiduciary or statutory duties to do so):
 - (i) give Mirvac 2 Business Days' notice in writing of the proposed change or withdrawal; and

- (ii) provide Mirvac with all material terms of the Superior Proposal (including details of the price or value, conditions and timing); and
- (iii) if and to the extent that:
 - (A) such information is not subject to any confidentiality restrictions imposed by the Competing Bidder; or
 - (B) the Competing Bidder has consented to such information being provided to Mirvac,provide Mirvac with the name of the person making the Superior Proposal (the *Competing Bidder*).
- (c) If WFML gives notice to Mirvac under clause 14.4(b), Mirvac will have the right, but not the obligation, at any time during the period of 2 Business Days following receipt of the notice, to:
 - (i) offer to amend the terms of the Scheme;
 - (ii) make a takeover bid for WOT (notwithstanding any term in the Confidentiality Deed); or
 - (iii) propose any other form of transaction, (each a *Counterproposal*), and if it does so then WFML and the Independent Board Committee must review the Counterproposal in good faith.
- (d) For the purposes of clause 14.4, each successive modification of any third party expression of interest, offer or proposal in relation to an Competing Proposal will constitute a new Competing Proposal.

14.5 Fiduciary Out

The restrictions in clause 14.2 do not apply to the extent that they restrict WFML or the Independent Board Committee from taking or refusing to take any action (including responding to, entering into discussions and negotiations with, providing information to, or otherwise dealing with any third party) with respect to any proposal that is, or that the Independent Board Committee considers may reasonably be expected to lead to, a Competing Proposal provided:

- (a) the relevant proposal is bona fide and is made in writing by or on behalf of a person that each of the members of the Independent Board Committee reasonably considers is of reputable commercial standing; and
- (b) the Independent Board Committee, acting in good faith and in order to satisfy what the Independent Board Committee reasonably considers to be its statutory or fiduciary duties, determines after taking advice from Citi and AAR (or such other independent financial advisors and external legal advisers appointed by WFML from time to time), that the relevant proposal:
 - (i) is capable of being valued and completed; and
 - (ii) would, if completed substantially in accordance with its terms, be more favourable to the Scheme Securityholders than the Scheme,

after taking into account all aspects of the relevant proposal (including its terms and conditions) and the person making it.

14.6 WFML's discussions with a third party

If WFML is permitted by virtue of this clause 14 to engage in activity that would otherwise breach clause 14.2 then, despite anything in this Agreement, the warranty given in clause 12.4(c) does not apply in respect of any such activity.

14.7 Miscellaneous

- (a) Nothing in this clause 14 prevents WFML from:
 - (i) providing information to its Representatives;
 - (ii) providing information to any Government Agency;
 - (iii) providing information to its auditors, advisers, customers, joint venturers, suppliers, lessees and financiers acting in that capacity in the ordinary course of business;
 - (iv) making presentations to brokers, portfolio investors, analysts and others third parties in the ordinary course of business; or
- (b) Each successive modification of a Superior Proposal will be subject to the process in this clause 14.

15. Break fee

15.1 Background

- (a) WFML and Mirvac acknowledge that, if they enter into this Agreement and the Scheme is subsequently not implemented, the Mirvac Group has incurred or will incur significant costs including advisory costs, costs of management time, out of pocket expenses and opportunity costs.
- (b) In the circumstances described in paragraph (a) above, Mirvac has requested that provision be made for the payment described in clause 15.2, without which Mirvac would not have entered into this Agreement.

15.2 Payment of break fee

- (a) Subject to clause 15.3, WFML must pay to Mirvac Limited the amount of \$4,146,527 (**Break Fee**) (which, for the avoidance of doubt, can only be payable once) as compensation for the costs of the Mirvac Group as described in clause 15.1(a) if any of the following occur:
 - (i) this Agreement is terminated under clause 16.2(c) or 16.3(c) (change of Recommendation); or
 - (ii) a Competing Proposal is announced, completed within six months after the date of this Agreement and is a Superior Proposal.

- (b) The payment of the Break Fee by WFML to Mirvac Limited must be made within 5 Business Days after the receipt by WFML of a written demand for payment from Mirvac Limited. The demand may only be made after the occurrence of any of the events in clauses 15.2(a).

15.3 Qualifications

If a Court or the Takeovers Panel determines that the agreement by WFML to pay the Break Fee, or any part of the Break Fee, or the actual payment of the Break Fee or any part of the Break Fee:

- (a) constituted, constitutes, or would constitute a breach of the fiduciary of statutory duties of the WFML board;
- (b) constituted, constitutes or would constitute unacceptable circumstances within the meaning of the Corporations Act; or
- (c) was, or is or would be unlawful for any other reason,

then, to that extent, WFML will not be obliged to pay the Break Fee and Mirvac Limited must refund to WFML any Break Fee payment, or the relevant part, already made.

15.4 Exclusive remedy

Notwithstanding any other provision of this Agreement, where a Break Fee becomes payable by WFML to Mirvac Limited (or would be payable if a demand was made), Mirvac cannot make any Claim against WFML or any WOT Indemnified Party in relation to the event giving rise to the payment of the Break Fee (other than for payment of the Break Fee).

15.5 GST exclusive

- (a) Subject to clause 15.5(b), the Break Fee is exclusive of GST and clause 19.12 applies to any payment of the Break Fee.
- (b) If a Break Fee becomes payable, WFML and Mirvac will seek a private ruling from the ATO to confirm that there is no GST payable in respect of the Break Fee (at WFML's cost). If WFML and Mirvac, having used their best endeavours, are not able to obtain a private ruling from the ATO on those terms within 45 days of the date the Break Fee becomes payable, WFML agrees to pay the Break Fee and GST in respect of the Break Fee.

16. Termination

16.1 Termination events

Without limiting any other provision of this Agreement either party (**non-defaulting party**) may terminate this Agreement by notice in writing to the other party if:

- (a) the End Date has passed before the Scheme has been implemented (other than as a result of a breach by the terminating party of its obligations under this Agreement);

- (b) the required majorities of Scheme Securityholders do not approve the Scheme at the Scheme Meeting;
- (c) the Westpac Implementation Deed is terminated; or
- (d) a Court or other Government Agency has issued an order, decree or ruling or taken other action that permanently restrains or prohibits the Scheme and that order, decree, ruling or other action has become final and cannot be appealed.

16.2 Termination by Mirvac

Mirvac may terminate this Agreement at any time before the scheduled time for implementation of the Scheme on the Implementation Date by notice in writing to WFML:

- (a) **(failure of condition)** in accordance with clause 3.4;
- (b) **(material breach)** if:
 - (i) WFML is in material breach of any clause of this Agreement;
 - (ii) Mirvac has given notice to WFML setting out the relevant breach and stating an intention to terminate; and
 - (iii) to the extent that the breach is capable of remedy, WFML does not remedy the breach by the earlier of 5 Business Days after it receives the notice or the scheduled time for implementation of the Scheme on the Implementation Date; or
- (c) **(change of recommendation)** the Independent Board Committee changes, withdraws or modifies its recommendation in relation to the Scheme, or it or any member of that committee, makes a public statement to the effect that the Independent Board Committee or any member of that committee no longer recommends that WOT Unitholders approve the Scheme Resolutions or that it, he or she supports a Superior Proposal.

16.3 Termination by WFML

WFML may terminate this Agreement at any time before the scheduled time for implementation of the Scheme on the Implementation Date by notice in writing to Mirvac:

- (a) **(failure of condition)** in accordance with clause 3.4;
- (b) **(material breach)** if:
 - (i) Mirvac is in material breach of any clause of this Agreement;
 - (ii) WFML has given notice to Mirvac setting out the relevant breach and stating an intention to terminate; and
 - (iii) to the extent that the breach is capable of remedy, Mirvac does not remedy the breach by the earlier of 5 Business Days after it receives the notice or the scheduled time for implementation of the Scheme on the Implementation Date; or
- (c) **(change of recommendation)** the Independent Board Committee changes, withdraws or modifies its recommendation in relation to the Scheme, or it or any

member of that committee, makes a public statement to the effect that the Independent Board Committee or any member of that committee no longer recommends that WOT Unitholders approve the Scheme Resolutions or that it, he or she supports a Superior Proposal.

16.4 Effect of termination

- (a) If a party terminates this Agreement pursuant to clause 16.1 or 16.3, all obligations of the parties under this Agreement (other than this clause 16.4, clauses 1, 12, 13, 15, 17, 18 and 19) immediately cease to be of further force or effect.
- (b) The termination of this Agreement does not affect any Claim arising before this Agreement is terminated, that a party may have against another party.

17. Limitation of liability

17.1 WFML limitation of liability

- (a) WFML enters into this Agreement only in its capacity as responsible entity of WOT. In this Agreement:
 - (i) a reference to WFML is a reference to WFML in its capacity as responsible entity of WOT only, and in no other capacity; and
 - (ii) a reference to the undertaking, assets, business, money or any other thing of or in relation to WFML is a reference to such undertaking, assets, business, money or other thing of or in relation to WFML in its capacity as responsible entity of WOT only, and in no other capacity.
- (b) Subject to clause 17.1(c), a liability of WFML arising under or in connection with this Agreement is strictly limited and can only be enforced against the WFML to the extent to which it can be satisfied out of the property of WOT out of which WFML is actually indemnified for the liability.
- (c) The limitation of liability in clause 17.1(b):
 - (i) applies to any obligation or liability of WFML, except to the extent that, under the WOT Constitution or by operation of law, WFML is not entitled to be indemnified out of the assets of WOT including as a result of WFML's fraud, negligence or breach of the WOT Constitution;
 - (ii) extends to all liabilities and obligations of WFML in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Agreement; and
 - (iii) applies notwithstanding any other provision of this Agreement.
- (d) Mirvac may not sue WFML in any capacity other than as responsible entity of WOT, including seeking the appointment of a receiver (except in relation to property of WOT), a liquidator, an administrator or any similar person to WFML or prove in any liquidation, administration or arrangement of or affecting WFML (except in relation to property of WOT) except to the extent specified in clause 17.1(c)(i).

- (e) WFML is not obliged to do or refrain from doing anything under this Agreement (including incurring any liability) unless its liability is limited in the same manner as set out in clauses 17.1(a), (b), (c) and (d).

17.2 Mirvac RE limitation of liability

- (a) Mirvac RE enters into this Agreement only in its capacity as responsible entity of MPT.
- (b) A liability arising under or in connection with this Agreement is limited to and can be enforced against Mirvac RE only to the extent to which it can be and is in fact satisfied out of property of MPT out of which Mirvac RE is actually indemnified for the liability. This limitation of Mirvac RE's liability applies despite any other provision of this Agreement and extends to all liabilities and obligations of Mirvac RE in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Agreement.
- (c) The other parties to this Agreement may not sue Mirvac RE in any capacity other than as responsible entity of MPT, including seeking the appointment of a receiver (except in relation to property of MPT) a liquidator, an administrator or any similar person to Mirvac RE or proving in any liquidation, administration or arrangement of or affecting Mirvac RE (except in relation to property of MPT).
- (d) These provisions do not apply to any obligation or liability of Mirvac RE to the extent that it is not satisfied because under the constitution establishing MPT, or by operation of law, there is a reduction in the extent of Mirvac RE's indemnification out of the assets of MPT, as a result of Mirvac RE's failure to perform its duties as responsible entity of MPT.
- (e) Nothing in this clause 17.1(a) shall make Mirvac RE liable to any claim for an amount greater than the amount which Mirvac RE would have been able to claim and recover from the assets of MPT in relation to the relevant liability if Mirvac RE's right of indemnification out of the assets of MPT had not been prejudiced by failure to properly perform its duties.
- (f) Mirvac RE is not obliged to do or refrain from doing anything under this Agreement (including incur any liability) unless its liability is limited in the same manner as set out in this clause 17.1(a).

18. Notices

Any notice, demand, consent or other communication (a **Notice**) given or made under this Agreement:

- (a) must be in writing and signed by a person duly authorised by the sender;
- (b) must be delivered to the intended recipient by prepaid post (if posted to an address in another country, by registered airmail) or by hand to the address below or the address last notified by the intended recipient to the sender:

19. General

19.1 Confidentiality Deed

Each of Mirvac and WFML acknowledges and agrees that it remains bound by the Confidentiality Deed and accepts that, for so long as this Agreement remains on foot, the terms of this Agreement will prevail over the Confidentiality Deed to the extent of any inconsistency.

19.2 Entire agreement

This Agreement and the Confidentiality Deed contain the entire agreement between the parties with respect to their respective subject matter and supersede all earlier conduct and prior agreements and understandings between the parties in connection with their respective subject matter.

19.3 Amendment

This Agreement may be amended only by a document signed by or on behalf of each of the parties.

19.4 Assignment

A party cannot assign, novate or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other party.

19.5 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this Agreement does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

19.6 Further assurances

Each party must do anything necessary (including executing agreements and documents) to give full effect to this Agreement and the transactions contemplated by it.

19.7 Change name of WOT

- (a) Subject to clause 19.7(b), with effect from the Implementation Date Mirvac will not use and will procure that the name of WOT is changed to exclude the name 'Westpac' (and that all documents issued, entered into or executed after the Implementation Date relating to WOT shall reflect this change of name).
- (b) Clause 19.7 does not apply to the extent that Mirvac is required to use the name WOT at law (for example, in the preparation of accounts) or to the extent it is reasonably necessary in implementing the Scheme (for example, communication with investors and tenants).

19.8 No merger

The rights and obligations of the parties will not merge on the implementation of the Scheme. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

19.9 Severability of provisions

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Agreement nor affect the validity or enforceability of that provision in any other jurisdiction.

19.10 No representation or reliance

- (a) No party (nor any person acting on its behalf) has made any representation or other inducement to the other to enter into this Agreement, except for representations or inducements expressly set out in this Agreement.
- (b) Neither party enters into this Agreement in reliance on any representation or other inducement by or on behalf of any other party, except for any representation or inducement expressly set out in this Agreement.

19.11 Costs and stamp duty

Each party must bear its own costs arising out of the negotiation, preparation and execution of this Agreement. Any stamp duty (including fines, penalties and interest)

payable on or in connection with the transfer to Mirvac RE of WOT Instalment Receipts and WOT Units pursuant to the Scheme shall be borne by Mirvac.

19.12 GST

- (a) Unless otherwise expressly stated, all amounts payable under this Agreement are expressed to be exclusive of GST. If GST is payable on a Taxable Supply made under or in connection with this Agreement, the recipient of the supply must pay the supplier an additional amount equal to the GST payable on that supply provided that the supplier first issues a tax invoice for that supply.
- (b) Without limiting clause 19.12(a), if an amount payable under this Agreement is calculated by reference to a liability incurred by a party, then the amount of the liability must be reduced by the amount of any Input Tax Credit to which that party is entitled in respect of the acquisition of the supply to which that liability relates. A party will be assumed to be entitled to a full Input Tax Credit unless it demonstrates that its entitlement is otherwise before the date on which payment must be made.
- (c) Words and expressions used in this clause 19.12 have the same meaning as in *A New Tax System (Goods and Services) Tax Act 1999 (Cth)*.

19.13 Governing law

This Agreement is governed by the laws of New South Wales. Each party submits to the non-exclusive jurisdiction of courts exercising jurisdiction there, and waives any right to claim that those courts are an inconvenient forum.

19.14 Counterparts

This Agreement may be executed in any number of counterparts. All counterparts together will be taken to constitute one instrument.

B	WFML has agreed in the SIA to propose the Scheme, pursuant to which, subject to the satisfaction or waiver of certain conditions, Mirvac RE will acquire all of the Scheme Securities from Scheme Securityholders for the Scheme Consideration.
C	In accordance with the SIA, Mirvac RE is entering into this Deed Poll for the purpose of covenanting in favour of the Scheme Securityholders that it will observe and perform the obligations contemplated of it under the Scheme and the SIA.

It is declared as follows.

1. Definitions and Interpretation

1.1 Definitions

Terms defined in the SIA have the same meaning in this Deed Poll, unless the context requires otherwise.

1.2 Interpretation

The provisions of clause 1.2 of the SIA form part of this Deed Poll as if set out in full in this Deed Poll, and on the basis that references to 'this Agreement' in that clause are references to 'this Deed Poll'.

2. Nature of Deed Poll

Mirvac RE acknowledges and agrees that:

- (a) this Deed Poll may be relied on and enforced by any Scheme Securityholder in accordance with its terms even though the Scheme Securityholders are not party to it; and
- (b) under the Scheme, each Scheme Securityholder appoints WFML as its agent and attorney to enforce this Deed Poll against Mirvac RE on behalf of that Scheme Securityholder.

3. Condition Precedent and Termination

3.1 Condition precedent

Mirvac RE's obligations under this Deed Poll are subject to the Supplemental WOT Deed becoming Effective.

3.2 Termination

The obligations of Mirvac RE under this Deed Poll will automatically terminate on termination of the SIA.

3.3 Consequences of termination

If this Deed Poll is terminated under clause 3.2 then, in addition and without prejudice to any other rights, powers or remedies available to it:

- (a) Mirvac RE is released from its obligations under this Deed Poll, except those obligations under clause 9.6; and
- (b) each Scheme Securityholder retains any rights, powers or remedies that Scheme Securityholder has against Mirvac RE in respect of any breach by Mirvac RE of its obligations under this Deed Poll that occurred before termination of this Deed Poll.

4. Compliance with Scheme Obligations

Mirvac RE covenants in favour of each Scheme Securityholder that it will observe and perform all obligations contemplated of it under the Scheme and the SIA including, without limitation, the obligation to provide the Scheme Consideration in accordance with the terms of the Scheme.

5. Representations and Warranties

Mirvac RE makes the following representations and warranties in favour of Scheme Securityholders:

- (a) **(company status)** it is validly incorporated as a company limited by shares under the Corporations Act;

- (b) **(MIS status)** MPT is validly established and registered as a "registered scheme" under Chapter 5C of the Corporations Act;

 - (i) enable it to properly execute this Deed Poll and to carry out the transactions that this Deed Poll contemplates;
 - (ii) ensure that this Deed Poll is legal, valid, binding and admissible in evidence; and
 - (iii) enable it to properly carry on its business,
and it is complying with any conditions to which any Authorisation is subject;
- (f) **(document effective)** this Deed Poll constitutes its legal, valid and binding obligations, enforceable against it in accordance with its terms;
- (g) **(no contravention)** neither its execution of this Deed Poll nor the carrying out by it of the transactions that this Deed Poll contemplates does or will:
 - (i) contravene any law to which it or any of its property is subject or any order of any Governmental Agency that is binding on it or any of its property;
 - (ii) contravene any Authorisation;
 - (iii) contravene any undertaking or instrument binding on it or any of its property; or
 - (iv) contravene its constitution or the MPT constitution;

 - (i) be fully paid and free from any mortgages, charges, liens, encumbrances, and other security interests; and
 - (ii) rank equally in all respects with all existing Mirvac Stapled Securities.

6. Continuing Obligations

This Deed Poll is irrevocable and remains in full force and effect until the earlier of:

- (a) Mirvac RE having fully performed its obligations under this Deed Poll; and
- (b) termination of this Deed Poll under clause 3.2.

7. Further Assurances

Mirvac RE will, on its own behalf and, to the extent authorised by the Scheme, on behalf of each Scheme Securityholder, do all things and execute all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to the provisions of this Deed Poll and the transactions contemplated by it.

8. Mirvac RE Limitation of liability

- (a) Mirvac RE enters into this Deed Poll only in its capacity as responsibly entity of MPT.
- (b) A liability arising under or in connection with this Deed Poll is limited to and can be enforced against Mirvac RE only to the extent to which it can be and is in fact satisfied out of property of MPT out of which Mirvac RE is actually indemnified for the liability. This limitation of Mirvac RE's liability applies despite any other provision of this Deed Poll and extends to all liabilities and obligations of Mirvac RE in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Deed Poll.
- (c) Each Scheme Securityholder may not sue Mirvac RE in any capacity other than as responsible entity of MPT, including seeking the appointment of a receiver (except in relation to property of MPT) a liquidator, an administrator or any similar person to Mirvac RE or proving in any liquidation, administration or arrangement of or affecting Mirvac RE (except in relation to property of MPT).
- (d) These provisions do not apply to any obligation or liability of Mirvac RE to the extent that it is not satisfied because under the constitution establishing MPT, or by operation of law, there is a reduction in the extent of Mirvac RE's indemnification out of the assets of MPT, as a result of Mirvac RE's failure to perform its duties as responsibly entity of MPT.
- (e) Nothing in this clause 8 shall make Mirvac RE liable to any claim for an amount greater than the amount which Mirvac RE would have been able to claim and recover from the assets of Mirvac Trust in relation to the relevant liability if Mirvac RE's right of indemnification out of the assets of MPT had not been prejudiced by failure to properly perform its duties.
- (f) Mirvac RE is not obliged to do or refrain from doing anything under this Deed Poll (including incur any liability) unless its liability is limited in the same manner as set out in this clause 8.

9.2 No waiver

No failure to exercise nor any delay in exercising any right, power or remedy by Mirvac RE or by any Scheme Securityholder operates as a waiver. A single or partial exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver of any right, power or remedy on one or more occasions does not operate as a waiver of that right, power or remedy on any other occasion, or of any other right, power or remedy. A waiver is not valid or binding on the person granting that waiver unless made in writing.

9.3 Remedies cumulative

The rights, powers and remedies of Mirvac RE and of each Scheme Securityholder under this Deed Poll are in addition to, and do not exclude or limit, any right, power or remedy provided by law or equity or by any agreement.

9.4 Amendment

No amendment or variation of this Deed Poll is valid or binding unless:

- (a) the amendment or variation is agreed to in writing by WFML, and
- (b) Mirvac RE enters into a further deed poll in favour of the Scheme Securityholders giving effect to that amendment or variation.
