All questions (including questions to Mirvac's auditors) should be received by no later than 5.00pm (AEDT) on

Thursday, 10 November 2016.

Questions will be collated and, during the Meetings, the Chair will seek to address as many of the more frequently asked, relevant questions as possible. However, there may not be sufficient time available at the Meetings to address all topics raised. Please note that individual responses will not be sent to Securityholders.

Questions to Mirvac's auditor

If you wish to submit a written question to Mirvac's auditor, PricewaterhouseCoopers (the "Auditor"), in relation to its conduct of the external audit of Mirvac's Financial Report for the year ended 30 June 2016, or the content of the Auditor's Report for that year, please send your question using one of the methods above. Please note that individual responses will not be sent to Securityholders.

The Auditor may answer relevant questions at the Meetings or may table a written answer to those questions at the Meetings. Any written answers tabled by the Auditors will be made available as soon as practicable after the Meetings by posting them on Mirvac's website.

B. Voting

Who can vote?

Individual Securityholders may vote at the Meetings in person or by proxy.

A corporate Securityholder may vote by proxy or through an individual who has been appointed as the corporate Securityholder's representative.

In accordance with the *Corporations Regulations 2001* (Cth), the Directors of Mirvac have determined that the stapled securities on issue as at **7.00pm (AEDT) on Tuesday, 15 November** will be taken, for the purposes of the Meetings, to be held by the persons who held them at that time. This means that any Securityholder registered at **7.00pm (AEDT) on Tuesday, 15 November 2016** is entitled to attend and vote at the Meetings.

How is the vote carried out?

Voting on all the resolutions will be conducted by way of a poll.

How are votes cast?

Securityholders may cast their votes in person or may appoint proxies (including the Chair) or representatives to cast their votes on their behalf at the Meetings. For further information on appointing proxies please refer to item d. below.

Securityholders may also exercise a direct vote (by post, facsimile or other electronic means) without the need to attend the Meetings or appoint a proxy to attend the Meetings in their place (**Direct Voting**). For further information on Direct Voting please refer to item c. below.

NOTES

How many votes does each Securityholder have?

Voting on the resolutions will be decided on a poll. On a poll each Securityholder has:

- i) in the case of a resolution of ML, one vote for each share in ML held; and
- ii) in the case of a resolution of MPT, one vote for each whole \$1.00 of unit value in MPT held.

A Securityholder does not have to exercise all of their votes on their stapled securities in the same way and not all votes need to be cast.

A proxy may decide whether or not to vote on any item of business or other motion at the Meetings, except where the proxy is required by law or the constitutions of ML or MPT to vote or abstain from voting in their capacity as proxy. If the proxy's appointment directs the proxy how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If the proxy's appointment does not direct the proxy how to vote on an item of business or any other motion at the Meetings, the proxy may vote as he or she thinks fit on that item or motion. If an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at the Meetings and the appointed proxy does not attend the Meetings or does not vote on a poll on the resolution, then the Chair will be taken to have been appointed as the proxy of the relevant Securityholder in respect of the Meetings or the poll on that resolution, as applicable.

A Securityholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the appointment does not specify the proportion or number of the Securityholder's voting rights, each proxy may exercise half of the Securityholder's votes. Fractions will be disregarded.

If a Securityholder appoints two proxies, neither is entitled to vote (as proxy for that Securityholder) on a show of hands at the Meetings – they can vote only if a poll is taken on an item of business. If the same person (such as the Chair) is appointed as proxy for two or more Securityholders and those Securityholders have specified different ways for the proxy to vote on an item of business, then the proxy is not entitled to vote (as proxy) on a show of hands on that item.

Voting intentions of the Chair

If a Securityholder appoints the Chair as the Securityholder's proxy and does not specify how the Chair is to vote on an item of business, the Chair intends to vote in favour of that item on a poll (subject to the other provisions of this Notice of Meetings, including the voting exclusions noted above).

Ordinary and special resolutions

Each ordinary resolution is passed if more than 50% of the votes cast by or on behalf of Securityholders entitled to vote on the resolution are in favour.

A special resolution is passed if at least 75% of the votes cast by or on behalf of Securityholders entitled to vote on the resolution are in favour of the resolution.

All resolutions included in the Notice of Meetings are ordinary resolutions.

C. Direct voting

What is direct voting?

Direct voting allows Securityholders to lodge their votes directly with Mirvac as an alternative to voting at the Meetings, in person or by proxy. Direct voting gives Securityholders the flexibility to vote even where they may not be able to attend the Meetings or may not wish to appoint a proxy to attend the Meetings in their place.

Mirvac has rules to govern the form, method and timing of giving a direct vote for it to be valid. By submitting a direct vote, Securityholders agree to be bound by Mirvac's direct voting rules.

Direct voting rules are available from the Mirvac website at www.mirvac.com.

Lodging a direct vote

A direct vote can be lodged online or by completing only the direct voting section of the enclosed voting form and returning it in accordance with the instructions below.

For further information on lodging a direct vote, please refer to the instructions on the form.

Online:

Securityholders may lodge their direct voting instructions online by visiting vote.linkmarketservices.com/MGR and following the prompts and instructions given there.

To lodge a direct vote by email, reply paid envelope, post, hand delivery or facsimile please refer to item a. on page 6 for correspondence details.

Returning your direct voting instructions

Please ensure any direct voting instructions are received no later than **10.00am (AEDT) on Tuesday, 15 November 2016** by one of the methods detailed below and on the voting form. Any direct voting instructions received after this deadline will be ineffective for the scheduled Meetings.

D. Proxies

Appointing a proxy

A Securityholder has the right to appoint a proxy to attend and vote for the Securityholder at the Meetings. The proxy need not be a member of ML or MPT. The appointment may be advised online or using the enclosed voting form and returned by mail, or by facsimile or otherwise delivered to one of the addresses listed below.

To appoint a proxy by email, reply paid envelope, post, hand delivery or facsimile please refer to item a. on page 6 for correspondence details.

Returning your proxy instructions

Please ensure any proxy instructions are received no later than **10.00am (AEDT) on Tuesday, 10 November 2016** by one of the methods detailed above and on the voting form. Any proxy instructions received after this deadline will be ineffective for the scheduled Meetings.

Corporate representatives

A corporate Securityholder may elect to appoint a representative to vote rather than a proxy, in accordance with the Corporations Act. Where a corporate Securityholder appoints a representative, ML or MPT (as relevant) requires written proof of the representative's appointment to be lodged with or presented to Mirvac before the Meetings commence.

Appointment of proxy under power of attorney

If a proxy is signed under a power of attorney on behalf of a Securityholder, then either the original power of attorney, or a certified copy of it, must be lodged with the voting form (before the deadline for appointment of proxies), unless the power of attorney has already been sighted by the Security Registry.

E. Explanatory notes

Securityholders are referred to the Explanatory Notes accompanying this Notice of Meetings. The Explanatory Notes are intended to be read in conjunction with, and to form part of, this Notice of Meetings.

F. Definitions

In this Notice of Meetings, a stapled security means one fully paid ordinary unit in MPT stapled to one fully paid ordinary share in ML.

G. Venue location

The Meetings are being held at the Swissôtel Sydney, Level 8, 68 Market Street, Sydney NSW.

H. Additional information

If you require additional information, please contact Mirvac's Investor Information line on +61 1800 356 444 (within or outside Australia) between 8.30am and 5.30pm (AEDT) on business days.

EXPLANATORY NOTES

These explanatory notes form part of the Notice of Meetings.

ITEM 1 – ANNUAL REPORTS

In accordance with the Corporations Act, ML's Financial Report, Directors' Report and Auditor's Report ("Reports") for the financial year ended 30 June 2016 will be presented to the Annual General Meeting of ML.

The Reports form part of Mirvac's 2016 Annual Report, which has been sent to those Securityholders who have elected to receive the Annual Report in hard copy form.

The 2016 Annual Report is also available at vote.linkmarketservices.com/MGR or on Mirvac's website.

Following consideration of the Reports, the Chair will give Securityholders as a whole at the Meetings a reasonable opportunity to ask questions and make comments on the Reports and on the business, operations and management of ML and MPT.

Securityholders will also be given a reasonable opportunity at the Meetings to ask a representative of the Auditor questions relevant to the:

- conduct of the audit;
- preparation and content of the Auditor's Report;
- accounting policies adopted by ML in relation to the preparation of the financial statements; and
- independence of the Auditor in relation to the conduct of the audit.

Securityholders may also submit written questions to the Auditor prior to the Meetings if the questions are relevant to the content of the Auditor's Report or the conduct of the audit.

All questions (including questions to the Auditor) should be received by no later than 5.00pm (AEDT) on **Thursday, 10 November 2016**.

Mirvac's Remuneration Report (which forms part of the Directors' Report) is set out on pages 45 to 64 of the Mirvac 2016 Annual Report, which is available on Mirvac's website at www.mirvac.com/2016-agm and at vote.linkmarketservices.com/MGR.

The Remuneration Report includes information relating to:

- remuneration governance;
- remuneration strategy and structure;

- relationship between remuneration and Mirvac performance; and
- specified details of the remuneration of the Non-Executive Directors, CEO & Managing Director and other KMPs of Mirvac for the years ended 30 June 2016 and 30 June 2015 (respectively).

Securityholders will be asked to vote at the Annual General Meeting on a resolution to adopt the Remuneration Report. The vote is advisory only and will not bind the Directors or ML. However, Directors will take into account the outcome of the vote when considering relevant remuneration matters in the future.

Recommendation

The Directors unanimously recommend that Securityholders vote in favour of this resolution.

The Chair of the Meetings intends to vote all available proxies in favour of this item.

ITEM 4 – EMPLOYEE SECURITY ACQUISITION PLANS

The Long Term Performance Plan ("LTP Plan"), as described in the Remuneration Report in Mirvac's 2016 Annual Report, was introduced in 2007 following approval by Securityholders at the 2007 Annual General and General Meetings. The LTP Plan was last approved by Securityholders at the 2013 Annual General and General Meetings.

EXPLANATORY NOTES

The General Employee Exemption Plan (“Exemption Plan”), as described in the Remuneration Report in Mirvac’s 2016 Annual Report, was introduced in 2006 and last approved by Securityholders at the 2013 Annual General and General Meetings.

Approval of the issue of stapled securities under these two security acquisition plans is being sought so that stapled securities issued under each of these plans in the three years following the date of the Meetings are not counted towards the ability of Mirvac to issue stapled securities under ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides (in summary) that an entity cannot issue more than 15% of its existing issued stapled securities in any 12 month period without the approval of Securityholders, subject to a number of exceptions as detailed in ASX Listing Rule 7.2.

ASX Listing Rule 7.2 Exception 9 excludes the issue of stapled securities under employee incentive schemes if so approved by holders of the entity’s ordinary stapled securities within three years before the date of issue. The effect of the approval being sought from Securityholders would be that stapled securities issued under either the LTP Plan or the Exemption Plan would not reduce the number of stapled securities that can be issued by Mirvac without Securityholder approval (within the 15% limit) and will increase the base number of stapled securities from which the 15% calculation is made.

A summary of the terms of each plan is set out below.

A copy of the rules of the LTP Plan and Exemption Plan can be obtained by telephoning the Mirvac’s Investor Information on +61 1800 356 444 (within or outside Australia) between 8.30am and 5.30pm (AEDT) on business days.

A copy will also be available for inspection at the Meetings.

1) Summary of LTP Plan

Purpose

The purpose of the LTP Plan is to:

- provide an incentive for eligible employees to remain in employment with Mirvac in the long term;
- recognise the ongoing ability of eligible employees and their expected efforts and contribution in the long term to the performance and success of Mirvac; and
- provide eligible employees with the opportunity to acquire performance rights and/or options, and ultimately stapled securities, in accordance with the rules of the LTP Plan (“LTP Plan Rules”).

Participation

Eligibility to participate in the LTP Plan will be open to employees who are declared by the Board of Mirvac to be eligible to receive a grant under the LTP Plan. Eligible employees may include Executive Directors, employees of Mirvac or of any entity in which Mirvac has an interest of 20% or more, and any other person declared by the Board.

Under the LTP Plan, the Board may from time to time invite eligible employees to participate in a grant of performance rights and/or options on the terms of the LTP Plan and such additional terms, including performance conditions (if applicable), as the Board determines.

For the 2016/17 financial year, the Directors are proposing to offer performance rights to eligible employees (including the CEO & Managing Director). No option grants are proposed to be made for that financial year. The Directors intend that the 2016/17 grant of performance rights will be subject to the same performance condition as that outlined in the Explanatory Notes accompanying this Notice of Meetings for item 5 below. The Board will review the applicable performance conditions annually to determine the appropriate hurdles to apply for future grants based on Mirvac's strategy and prevailing market practice.

Overriding limits

The Board's ability to grant rights and/or options under the LTP Plan will be subject to the following overriding limit. The grant of performance rights and/or options under the LTP Plan must not cause Mirvac to exceed the limit that applies under ASIC amended Class Order [CO 14/1000] ("**Class Order 14/1000**") (or any replacement order) in respect of new issues of stapled securities under employee share schemes. In broad terms, and subject to various exclusions prescribed by ASIC and set out in Class Order 14/1000, Class Order 14/1000 currently limits the aggregate number of stapled securities, performance rights and options issued to employees under any employee share scheme (including the LTP Plan) over a three year period to 5% of the total number of securities in the issued capital of Mirvac at the time of the proposed offer or grant.

Additionally, no grant may be made to a participant under the LTP Plan where the grant would result in that participant holding a beneficial interest in more than 5% of the securities in Mirvac or being in a position to cast, or control the casting of, more than 5% of the votes that may be cast at a general meeting of Mirvac.

EXPLANATORY NOTES

Terms of performance rights and options

On grant, each performance right would give the holder an entitlement to acquire one stapled security in Mirvac subject to satisfaction of any applicable performance conditions. On grant, each option would give the holder an entitlement to acquire one stapled security in Mirvac subject to payment of any applicable exercise price on exercise of the option.

Unvested performance rights and options carry no voting rights and no entitlements to participate in any dividends or distributions.

Performance rights and options are granted in the name of the eligible employee. Unless the Board determines otherwise, no payment is required for the grant of a performance right or option and they may not be registered in any name other than that of the eligible employee.

Participants are prohibited from dealing in (which includes selling, transferring and hedging) their unvested performance rights and options, unless the Board determines otherwise or in the event of death or bankruptcy.

Performance rights and options granted under the LTP Plan will generally only vest and be converted into stapled securities where any applicable performance conditions have been satisfied within the prescribed period ("Performance Period").

An unvested performance right or option will lapse upon the earliest occurrence of:

- seven years (or any other date specified by the Board) of the date of grant;
- a breach of the dealing restrictions applicable to unvested performance rights and options under the LTP Plan Rules;
- the Board determining that the performance right or option will lapse as a result of the holder's cessation of employment (including, for example, for fraudulent or dishonest actions); or
- failure to meet the applicable performance condition within the Performance Period.

Unless the Board determines otherwise, in the event that a participant in the LTP Plan ceases to be an employee (other than for fraudulent and dishonest actions), any performance rights or options held by that participant will continue to be held subject to the original terms and conditions (including any applicable performance condition).

The terms on which any particular performance rights or options are granted may, at the discretion of the Board, provide for a different treatment on the participant cessation of employment to that described above. At any time prior to, or within 60 days of, a participant ceasing employment, the Board also has the discretion to determine that some or all of any unvested performance rights or options held by the participant vest or lapse as a result of the participant's cessation of employment.

Delivery of stapled securities on vesting of performance rights or exercise of options

The delivery of stapled securities on vesting of performance rights or exercise of options will be satisfied by Mirvac either issuing new stapled securities to, or arranging for existing stapled securities to be transferred to or set aside for, the participant. No amount is payable by participants on vesting of performance rights. Any applicable exercise price must be paid by participants on exercise of options.

Any stapled securities issued under the LTP Plan upon vesting of a performance right or exercise of an option will be registered in the participants name and will rank equally in all respects with other stapled securities for the time being on issue (from the time being issued) by Mirvac (except with regards to rights attached to such stapled securities by reference to a record date prior to the date of their issue). The Board may, in its discretion, impose a restriction on dealing with stapled securities allocated on vesting of a performance right or exercise of an option.

Bonus issues, rights issues and reorganisations of capital

Prior to the allocation of stapled securities to a participant upon vesting of performance rights or exercise of options:

- if Mirvac undertakes a bonus issue (other than an issue in lieu of dividends or by way of a dividend reinvestment) or a pro rata issue, the number of performance rights or options, or the number of stapled securities to which each participant is entitled upon vesting of performance rights or exercising of options, or any amount payable on vesting of the performance rights or exercise of options (or both the number and amount payable if appropriate) may be adjusted by the Board having regard to the ASX Listing Rules and subject to Securityholder approval being obtained; and
- if there is a reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of Mirvac then the rights of the participant will be changed to the extent necessary to comply with the ASX Listing Rules applying to a reorganisation of capital at the time of the reorganisation.

EXPLANATORY NOTES

Takeovers, schemes of arrangement and certain other events

The LTP Plan Rules also contain provisions dealing with the treatment of performance rights and options in the event of a takeover, scheme of arrangement or compromise, the winding up of Mirvac and certain other transactions. In certain such events, the Board may in its absolute discretion determine that, all or a specified number of a participant's performance rights and/or options vest (outright or on conditions), having regard to whether performance is in line with the applicable performance condition over the period from the date of grant to the date of the relevant event. If the Board determines that only some of a participant's unvested performance rights or options will vest, all unvested performance rights and options will lapse, unless the Board determines otherwise. Any vested options will become exercisable for a period specified by the Board notified to the participant and will lapse if not exercised within the specified period, unless the Board determines otherwise.

Amendment, suspension and termination

The Board may at any time amend or add to all or any of the provisions of the LTP Plan, amend or waive the terms or conditions (including any performance condition) of any performance right or option granted under the LTP Plan, or suspend or terminate the operation of the LTP Plan.

Without the consent of the participant, the Board may not exercise such powers in a manner which reduces the rights of the participants in respect of any performance right, option or stapled securities already granted other than an amendment in certain circumstances (such as complying with legal requirements). The Board may waive, amend or replace any performance measure in a performance condition attaching to a performance right or an option if the Board determines that the original performance condition is no longer appropriate or applicable, provided that the interests of the relevant participant are not, in the opinion of the Board, materially prejudiced or disadvantaged relative to the position reasonably anticipated at the time of the grant.

Securities issued under the 2013 LTP Plan

As at 30 June 2016, 29,059,296 performance rights and nil options had been issued to participants under the 2013 LTP Plan since the 2013 Annual General and General Meetings. Of these, 6,865,928 performance rights had been forfeited as at 30 June 2016.

2) Summary of the Exemption Plan

The Mirvac Group Exemption Plan is designed to encourage stapled security ownership across the broader employee population. The Exemption Plan provides eligible employees with \$1,000 worth of stapled securities at nil cost to those employees. The Exemption Plan is open to Australian based employees with more than 12 months of continuous service, who do not participate in other Group equity plans. Stapled securities acquired under the Exemption Plan must be held for a minimum of three years (or earlier cessation of employment with Mirvac) during which time the stapled securities are subject to a restriction on disposal and transfer. Otherwise, holders enjoy the same rights and benefits as other holders of Group stapled securities. On termination, employees retain any stapled securities granted to them.

As at 30 June 2016, 1,347,326 stapled securities had been issued to participants under the Exemption Plan since the 2013 Annual General and General Meetings.

Non-Executive Directors are not eligible to participate in the Exemption Plan.

Recommendation

The Directors (with Susan Lloyd-Hurwitz abstaining in respect of her own participation in the LTP Plan) recommend that Securityholders vote in favour of this resolution. Susan Lloyd-Hurwitz makes no recommendation in view of her personal interest in the matter.

ITEM 5 – PARTICIPATION BY THE CEO & MANAGING DIRECTOR IN THE LONG TERM PERFORMANCE (“LTP”) PLAN

This resolution is being put to Securityholders for the purpose of approving the participation by Susan Lloyd-Hurwitz (CEO & Managing Director of Mirvac) in Mirvac’s LTP Plan. Susan Lloyd-Hurwitz commenced as CEO & Managing Director on 5 November 2012.

Background

The Board believes that the offer of performance rights under the LTP Plan is an important part of Susan Lloyd-Hurwitz’s overall remuneration package. The performance rights are designed to provide a long term incentive to pursue the growth and success of Mirvac. The LTP Plan is focused on individuals whose roles and contributions are identified as critical to the continued growth and success of the Group over the next three years.

EXPLANATORY NOTES

Performance Period

For the performance rights to be granted to Susan Lloyd-Hurwitz for the 2016/17 financial year, the performance period will be the three year period beginning on 1 July 2016 and ending on 30 June 2019 (“**Performance Period**”).

Performance rights granted under the LTP Plan will generally only vest and be converted into stapled securities where any applicable performance conditions have been satisfied within the Performance Period.

Participation in the LTP Plan

Under ASX Listing Rule 10.14, no director can acquire securities under an employee incentive scheme without securityholder approval. Accordingly, approval is being sought for Susan Lloyd-Hurwitz to participate in the LTP Plan for the current financial year (2016/17).

If approved by Securityholders, the number of performance rights granted to Susan Lloyd-Hurwitz would be determined by dividing her potential award under the LTP Plan of \$2,250,000 by the grant price determined by Mirvac, and rounding the resulting number down to the nearest 100 performance rights. For this purpose, the grant price will be the average daily closing price on ASX of a stapled security in Mirvac for the one month period preceding the date of grant of the performance rights, reduced by an estimated value (determined by an independent external consultant) in respect of dividends and distributions that may be paid on a stapled security in Mirvac during the three-year Performance Period. The performance rights that may be granted to Susan Lloyd-Hurwitz will be offered for nil cost to her.

Terms of performance rights

On grant, each performance right would give the holder an entitlement to acquire one stapled security in the Group subject to satisfaction of any applicable performance conditions. Unvested performance rights carry no voting rights and no entitlements to participate in any dividends or distributions.

Participants are prohibited from dealing in (which includes selling, transferring and hedging) their unvested performance rights, unless the Board determines otherwise or in the event of death or bankruptcy.

On vesting, a performance right will automatically convert into a stapled security. At the Board’s discretion, entitlements to stapled securities on vesting of the performance rights will be satisfied by either an allotment of new stapled securities or by purchase on market of existing stapled securities.

Further terms under which the proposed award of performance rights to be made to Susan Lloyd-Hurwitz are set out below.

Performance hurdles

Two performance hurdles have been imposed which must be satisfied over the three year vesting period before any entitlements to the performance rights granted vest.

The following two performance hurdles each have a 50% weighting:

- Relative Total Securityholder Return (“TSR”); and
- Absolute Return on Invested Capital (“ROIC”).

TSR performance hurdle

- The TSR performance of Mirvac will be compared over the Performance Period with the TSR performance of each of the entities within the S&P/ASX 200 A-REIT Index, as constituted at the commencement of the Performance Period, plus Aveo Group and Lendlease Group (“Comparator Group”). The entities comprising the Comparator Group are set out below:

	Symbol	Entity
1	ABP	Abacus Property Group
2	BWP	BWP Trust
3	AOG	Aveo Group
4	CHC	Charter Hall Group
5	CMW	Cromwell Property Group
6	CQR	Charter Hall Retail REIT
7	DXS	Dexus Property Group
8	GMG	Goodman Group
9	GOZ	Growthpoint Properties Australia
10	GPT	GPT Group
11	INM	Iron Mountain Inc.
12	IOF	Investa Office Fund
13	LLC	Lendlease Group
14	MGR	Mirvac Group
15	NSR	National Storage REIT
16	SCG	Scentre Group
17	SCP	Shopping Centres Australasia Property Group
18	SGP	Stockland
19	VCX	Vicinity Centres
20	WFD	Westfield Corporation

EXPLANATORY NOTES

The Board has the discretion to adjust the Comparator Group to take into account events including takeovers, mergers, delistings or demergers that might occur during the Performance Period.

Broadly, TSR measures the return to a securityholder over the Performance Period in terms of changes in the market value of the securities plus the reinvested value of any dividends or distributions paid on the securities.

■ At the end of the Performance Period, the growth in Mirvac's TSR over the Performance Period will be compared with the growth in TSR over the same period of the Comparator Group and Mirvac's relative ranking will be determined. Unless the Board determines otherwise, the security price used to calculate the TSR growth of a company for the Performance Period will be measured as follows:

1. the opening security price will be the average adjusted closing price of a security in that company on the ASX for the three month period prior to but not including the first day of the Performance Period; and
2. the closing security price will be the average adjusted closing price of a security in that company on the ASX for the three month period up to and including the last day of the Performance Period.

■ The percentage of the TSR performance rights which vest, if any, will be determined by the Board by reference to the percentile ranking achieved by Mirvac over the Performance Period compared to the Comparator Group as follows:

TSR growth – percentile ranking	TSR performance rights that vest (%)
75th percentile and above	100%
Between 50th to 75th percentile	50% plus an additional 2% for each additional whole percentile above the 50th percentile
50th percentile	50%
Below 50th percentile	Nil

ROIC performance hurdle

- ROIC is used as a general indication of the company's efficiency; in other words, how much profit it is able to generate given the available capital.
- ROIC is calculated as:

ROIC earnings

Average monthly Operating Assets for the financial year

Where ROIC earnings = Total Return / Average Invested Capital

Total Return = Profit for the year attributable to stapled securityholders

Adjusted for:

- Development interest costs and other net interest costs
- Net gain or loss on foreign exchange movements and derivatives
- Income tax expense
- Owner occupied property adjustment

Invested Capital =

- Investment properties
- Inventories
- Indirect investments

Adjusted for:

- Fund through adjustments (deferred revenue)
- Deferred land payable
- Average invested capital is the average of the current period and the prior two reporting periods.
- The percentage of the ROIC performance rights which vest, if any, will be determined by the Board by reference to the average annual ROIC achieved by Mirvac over the Performance Period as follows:

Average annual ROIC	% Vesting
Less than 9%	0%
9%	50%
More than 9% but less than 10%	Pro-rata vesting between 50% and 100%
10% or more	100%

There is no intention to retest the performance condition over the vesting period.

EXPLANATORY NOTES

Treatment on cessation of employment

If Susan Lloyd-Hurwitz ceases to be an employee of the Group before the end of the Performance Period, any unvested performance rights relating to the departing employee will be dealt with as outlined below:

Reason for cessation of employment	Treatment in respect of unvested performance rights
Resignation or termination by Mirvac (other than as set out below)	All unvested performance rights lapse
Redundancy, retirement, disability/death, agreed transfer to an investment partner	The Board exercises discretion to determine the amount of any unvested performance rights that will be retained subject to the original terms of the grant and the LTP Plan Rules and the balance will lapse.

Further information disclosed in accordance with ASX Listing Rule 10.15

Pursuant to approval by Securityholders at the 2015 Annual General and General Meetings, 1,470,500 performance rights were granted to Susan Lloyd-Hurwitz in the year to 30 June 2016 under the LTP Plan at nil cost to her.

Further details of these performance rights are set out on pages 59 to 61 of Mirvac's 2016 Annual Report. No other Director or associate of any Director received stapled securities under the LTP Plan in the year to 30 June 2016.

No other Director or associate of any Director is entitled to participate in, and no loans will be provided under, the LTP Plan in the current year.

If approved by Securityholders, Mirvac intends to grant the performance rights to Susan Lloyd-Hurwitz by 31 December 2016 but in any event by no later than 12 November 2017.

Recommendation

The Directors (with Susan Lloyd-Hurwitz abstaining in respect of her own participation in the LTP Plan) recommend that Securityholders vote in favour of this resolution. Susan Lloyd-Hurwitz makes no recommendation in view of her personal interest in the matter.

The Chair of the Meetings intends to vote all available proxies in favour of this item.
