MIRVAC IS WELL PREPARED FOR THE CYCLE

Quality will be the driver of differentiated performance

- Disposed of older, suburban and regional assets no longer on strategy
- Avoided acquiring low cap rate core assets with no development/repositioning upside
- Delivered six new modern office and five industrial buildings over the past six years with an end value of $2.7bn
- Four new office assets currently under development with an end value of $3bn due for completion over FY19-22

EXECUTED STRATEGY TO SELL REGIONAL/NON-CORE ASSETS AND CREATE A MODERN CORE PORTFOLIO

TRANSITION CONTINUES TOWARDS HIGH QUALITY PASSIVE RECURRING EARNINGS

> Acceleration of passive earnings growth is delivering EPS growth despite lower residential earnings expected in FY19
> On track to deliver 5% growth p.a. in passive earnings over FY19-21 on average
> Forecast ~$1bn of active EBIT over the next three years, in line with prior three years
> Passive capital as a percentage of total capital increasing as development pipeline completes

**EPS GROWTH FUELLED BY PASSIVE PORTFOLIO**

1. FY18 Group EPS restated to align to FY19 Operating Profit definition.
2. Residential EBIT less residential development interest expense, less tax expense.

RESIDENTIAL RESULTS ON TARGET

On track to achieve >2,500 lot settlements for FY19

> Completed 1,067 settlements in 1H19 and over 110 settlements in January 2019
> 1H19 gross margins of 25% and EBIT margin of 16%
> $2bn of residential pre-sales securing future earnings
> Diversification across products, markets and capital efficient structures

Key differentiators across location, quality and customer care

> Mirvac remaining resilient despite Sydney and Melbourne prices declining after multi-year growth
> Over 900 lot sales in 1H19, with 95% of buyers domestic, and continued demand from owner occupiers
> Solid demand continues for masterplanned communities and medium density housing
STRATEGY FOCUSED ON LONG TERM URBANISATION

- Strategic weighting to NSW and VIC representing 74% of residential lots
- In the 10 years to 2028, Australia’s population is projected to increase by over 4.5 million people
- Over 75% of this growth will occur in our four largest capital cities
- On average, Sydney and Melbourne are each expected to grow by over 110,000 people per annum over the next five years
- Over 39,000 new dwellings are expected to be required in both Sydney and Melbourne per annum to meet this demand but a shortfall in supply is forecast

PROJECTED POPULATION INCREASE TO 2023

Melbourne: ~126,000 people per year
Sydney: ~111,000 people per year

**URBAN MIXED USE DEVELOPMENT REIMAGINED**

Proven capability to deliver returns from complex urban developments

- Ability to manage multiple stakeholders and work with local councils to deliver superior results
- Integrated technical skills in development, design, construction and sales & marketing
- Mixed use developments unlocking value across Residential, Commercial and Retail
- Capital efficient structures providing flexibility to respond to the market at the right time

Urban mixed use creates a more successful whole of place

- Proximity to transport and future infrastructure
- Close to schools, hospitals, parks and restaurants
- Strong economic drivers: population growth, low unemployment rates
- Investor appeal – low vacancy rates, low maintenance and long term capital growth

Mirvac Group comprises Mirvac Limited (ABN 92 003 280 699) and Mirvac Property Trust (ARSN 086 780 645). This presentation ("Presentation") has been prepared by Mirvac Limited and Mirvac Funds Limited (ABN 70 002 561 640; AFSL number 233121) as the responsible entity of Mirvac Property Trust (collectively "Mirvac" or "the Group"). Mirvac Limited is the issuer of Mirvac Limited ordinary shares and Mirvac Funds Limited is the issuer of Mirvac Property Trust ordinary units, which are stapled together as Mirvac Group stapled securities. All dollar values are in Australian dollars (A$).

The information contained in this Presentation has been obtained from or based on sources believed by Mirvac to be reliable. To the maximum extent permitted by law, Mirvac, its affiliates, officers, employees, agents and advisers do not make any warranty, express or implied, as to the currency, accuracy, reliability or completeness of the information in this Presentation or that the information is suitable for your intended use and disclaim all responsibility and liability for the information (including, without limitation, liability for negligence).

This Presentation is not financial advice or a recommendation to acquire Mirvac stapled securities and has been prepared without taking into account the objectives, financial situation or needs of individuals. Before making an investment decision prospective investors should consider the appropriateness of the information in this Presentation and the Group’s other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange having regard to their own objectives, financial situation and needs and seek such legal, financial and/or taxation advice as they deem necessary or appropriate to their jurisdiction.

To the extent that any general financial product advice in respect of the acquisition of Mirvac Property Trust units as a component of Mirvac stapled securities is provided in this Presentation, it is provided by Mirvac Funds Limited. Mirvac Funds Limited and its related bodies corporate, and their associates, will not receive any remuneration or benefits in connection with that advice. Directors and employees of Mirvac Funds Limited do not receive specific payments of commissions for the authorised services provided under its Australian Financial Services License. They do receive salaries and may also be entitled to receive bonuses, depending upon performance. Mirvac Funds Limited is a wholly owned subsidiary of Mirvac Limited.

An investment in Mirvac stapled securities is subject to investment and other known and unknown risks, some of which are beyond the control of Mirvac, including possible delays in repayment and loss of income and principal invested. Mirvac does not guarantee any particular rate of return or the performance of Mirvac nor do they guarantee the repayment of capital from Mirvac or any particular tax treatment.

This Presentation contains certain ‘forward looking’ statements. The words “expected”, “forecast”, “estimates”, “consider” and other similar expressions are intended to identify forward looking statements. Forward looking statements, opinions and estimates provided in this Presentation are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions. Forward-looking statements including projections, indications or guidance on future earnings or financial position and estimates are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. There can be no assurance that actual outcomes will not differ materially from these statements. To the full extent permitted by law, Mirvac Group and its directors, officers, employees, advisers, agents and intermediaries disclaim any obligation or undertaking to release any updates or revisions to the information to reflect any change in expectations or assumptions. Past performance information given in this Presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance. Where necessary, comparative information has been reclassified to achieve consistency in disclosure with current year amounts and other disclosures.

This Presentation also includes certain non-IFRS measures including operating profit after tax. Operating profit after tax is profit before specific non-cash items and significant items. It is used internally by management to assess the performance of its business and has been extracted or derived from Mirvac’s financial statements ended 31 December 2018, which has been subject to review by its external auditors.

This Presentation is not an offer or an invitation to acquire Mirvac stapled securities or any other financial products and is not a prospectus, product disclosure statement or other offering document under Australian law or any other law. It is for information purposes only.

The information contained in this presentation is current as at 31 December 2018, unless otherwise noted.
